

### for Wall Mount Rack Cabinet

# 11111

- Use for supporting equipment
- Materials: SPCC cold rolling steel

### Fixed Shelf

| Model     | Width | Depth | Description  |
|-----------|-------|-------|--|
| RSP-045WM | 485mm | 275mm | 80KG loading fixed shelf plate for 450mm depth cabinet |
| RSP-060WM | 485mm | 430mm | 80KG loading fixed shelf plate for 600mm depth cabinet |
| RSP-080WM | 485mm | 630mm | 80KG loading fixed shelf plate for 800mm depth cabinet |

- Use for supporting equipment
- Materials: SPCC cold rolling steel

### Sliding Shelf

| Model     | Width | Depth | Description  |
|-----------|-------|-------|--|
| RSS-060WM | 485mm | 430mm | 50KG loading sliding shelf plate for 600mm depth cabinet |
| RSS-080WM | 485mm | 630mm | 50KG loading sliding shelf plate for 800mm depth cabinet |

- Use for supporting equipment
- Materials: SPCC cold rolling steel

### Keyboard Mouse Plate

|   | Model     | Width | Depth | Description   |
|---|-----------|-------|-------|---|
|   | RKP-060WM | 485mm | 430mm | 50KG loading keyboard mouse plate for 600mm depth cabinet |
| Ī | RKP-080WM | 485mm | 630mm | 50KG loading keyboard mouse plate for 800mm depth cabinet |

- Input: 220VAC / 110VAC
- Materials: SPCC cold rolling steel

### AC Fan

| Model   | Width        | Fan Unit | Description                 |  |
|---------|--------------|----------|-----------------------------|--|
| RFN-02F | 19" Mounting | 2        | 1U Rack cabinet dual AC fan |  |
| RFN-04F | 19" Mounting | 4        | 1U Rack cabinet quad AC fan |  |

- Use for supporting equipment
- Materials: SPCC cold rolling steel

### L Guide Rail

| Model     | Length | Description                      |
|-----------|--------|----------------------------------|
| RLG-045WM | 275mm  | Suitable for 450mm depth cabinet |
| RLG-060WM | 430mm  | Suitable for 600mm depth cabinet |
| RLG-080WM | 630mm  | Suitable for 800mm depth cabinet |

### for Standard / Heavy Duty Rack Cabinet

## 11111

- Use for supporting equipment
- Materials: SPCC cold rolling steel

- Use for supporting equipment
- Materials: SPCC cold rolling steel

- Use for supporting equipment
- Materials: SPCC cold rolling steel

- Input: 220VAC / 110VAC
- Materials: SPCC cold rolling steel

- Use for supporting equipment
- Materials: SPCC cold rolling steel

Materials: SPCC cold rolling steel

Baying kit for heavy duty series

Materials: Nickel Galvanized

### Fixed Shelf

| Model     | Width | Depth | Description  |
|-----------|-------|-------|--|
| RSP-060SH | 470mm | 350mm | 80KG loading fixed shelf plate for 600mm depth cabinet   |
| RSP-080SH | 470mm | 550mm | 80KG loading fixed shelf plate for 800mm depth cabinet   |
| RSP-100SH | 470mm | 750mm | 80KG loading fixed shelf plate for 1000mm depth cabinet  |
| RHP-080SH | 470mm | 550mm | 150KG loading fixed shelf plate for 800mm depth cabinet  |
| RHP-100SH | 470mm | 750mm | 150KG loading fixed shelf plate for 1000mm depth cabinet |

### Sliding Shelf

| Model     | Width | Depth | Description   |
|-----------|-------|-------|---|
| RSS-060SH | 470mm | 350mm | 50KG loading sliding shelf plate for 600mm depth cabinet  |
| RSS-080SH | 470mm | 550mm | 50KG loading sliding shelf plate for 800mm depth cabinet  |
| RSS-100SH | 470mm | 750mm | 50KG loading sliding shelf plate for 1000mm depth cabinet |

### Keyboard Mouse Plate

| Model     | Width | Depth | Description  |
|-----------|-------|-------|--|
| RKP-060SH | 470mm | 370mm | 50KG loading keyboard mouse plate for 600mm depth cabinet  |
| RKP-080SH | 470mm | 570mm | 50KG loading keyboard mouse plate for 800mm depth cabinet  |
| RKP-100SH | 470mm | 770mm | 50KG loading keyboard mouse plate for 1000mm depth cabinet |

### AC Fan

| Model   | Width        | Fan Unit | Description                 |  |
|---------|--------------|----------|-----------------------------|--|
| RFN-02F | 19" Mounting | 2        | 1U Rack cabinet dual AC fan |  |
| RFN-04F | 19" Mounting | 4        | 1U Rack cabinet quad AC fan |  |

### L Guide Rail

| Model     | Length | Description                       |
|-----------|--------|-----------------------------------|
| RLG-060SH | 350mm  | Suitable for 600mm depth cabinet  |
| RLG-080SH | 550mm  | Suitable for 800mm depth cabinet  |
| RLG-100SH | 750mm  | Suitable for 1000mm depth cabinet |

### Cable Manager (Vertical)

| Model    | Height | Width | Depth | Description                             |
|----------|--------|-------|-------|---|
| RMV-42UH | 42U    | 95mm  | 80mm  | Cable management for heavy duty cabinet |

### Interlock Bracket

| Model  | Description                    |
|--------|--------------------------------|
| RLB-01 | Rack cabinet interlock bracket |
|        |                                |

### Cable Ring

| Model  | Height | Width | Description                          |
|--------|--------|-------|--------------------------------------|
| RCR-45 | 75mm   | 45mm  | Cable Ring use for Heavy Duty Series |

### for Server Rack Cabinet

# 11111

- Use for supporting equipment
- Materials: SPCC cold rolling steel

- Use for supporting equipment
- Materials: SPCC cold rolling steel

- Use for supporting equipment
- Materials: SPCC cold rolling steel

Materials: SPCC cold rolling steel

### Fixed Shelf

| Model     | Width | Depth | Description  |
|-----------|-------|-------|--|
| RSP-080ST | 510mm | 450mm | 80KG loading fixed shelf plate for 800mm depth cabinet   |
| RSP-100ST | 510mm | 650mm | 80KG loading fixed shelf plate for 1000mm depth cabinet  |
| RSP-110ST | 510mm | 750mm | 80KG loading fixed shelf plate for 1100mm depth cabinet  |
| RSP-120ST | 510mm | 850mm | 80KG loading fixed shelf plate for 1200mm depth cabinet  |
| RHP-080ST | 510mm | 450mm | 150KG loading fixed shelf plate for 800mm depth cabinet  |
| RHP-100ST | 510mm | 650mm | 150KG loading fixed shelf plate for 1000mm depth cabinet |
| RHP-110ST | 510mm | 750mm | 150KG loading fixed shelf plate for 1100mm depth cabinet |
| RHP-120ST | 510mm | 850mm | 150KG loading fixed shelf plate for 1200mm depth cabinet |

### Sliding Shelf

| Model     | Width | Depth | Description   |
|-----------|-------|-------|---|
| RSS-080ST | 510mm | 450mm | 50KG loading sliding shelf plate for 800mm depth cabinet  |
| RSS-100ST | 510mm | 650mm | 50KG loading sliding shelf plate for 1000mm depth cabinet |
| RSS-110ST | 510mm | 750mm | 50KG loading sliding shelf plate for 1100mm depth cabinet |

### Keyboard Mouse Plate

| Model     | Width | Depth | Description  |
|-----------|-------|-------|--|
| RKP-080ST | 510mm | 570mm | 50KG loading keyboard mouse plate for 800mm depth cabinet  |
| RKP-100ST | 510mm | 750mm | 50KG loading keyboard mouse plate for 1000mm depth cabinet |
| RKP-110ST | 510mm | 950mm | 50KG loading keyboard mouse plate for 1100mm depth cabinet |

### AC Fan

| Model   | Fan Unit | Description                     |  |
|---------|----------|---------------------------------|--|
| RFN-04T | 4        | Top fan tray for server cabinet |  |

### L Guide Rail

| Model     | Length | Description                       |
|-----------|--------|-----------------------------------|
| RLG-080ST | 450mm  | Suitable for 800mm depth cabinet  |
| RLG-100ST | 550mm  | Suitable for 1000mm depth cabinet |
| RLG-110ST | 750mm  | Suitable for 1100mm depth cabinet |
| RLG-120ST | 850mm  | Suitable for 1200mm depth cabinet |

### Cable Manager (Vertical)

| Model    | Height | Width | Depth | Description                         |
|----------|--------|-------|-------|-------------------------------------|
| RMV-42ST | 42U    | 95mm  | 80mm  | Cable management for server cabinet |

### for All Series Rack Cabinet

- Use for supporting equipment
- Materials: SPCC cold rolling steel

- 19" Drawer with lock and key
- Materials: SPCC cold rolling steel

- Use for blocking the airflow and aesthetic
- Materials: SPCC cold rolling steel

- Use for blocking the airflow and aesthetic
- Materials: SPCC cold rolling steel

Materials: SPCC cold rolling steel

Materials: SPCC cold rolling steel

 Materials: SPCC cold rolling steel (Light holder)

Security lock

Materials: Nickel Galvanized

### Cantilever Shelf Plate

| Model     | Height | Width        | Depth | Description                         |
|-----------|--------|--------------|-------|-------------------------------------|
| RCP-1U350 | 1U     | 19" Mounting | 350mm | 20kg loading cantilever shelf plate |
| RCP-2U350 | 2U     | 19" Mounting | 350mm | 25kg loading cantilever shelf plate |
| RCP-1U550 | 1U     | 19" Mounting | 550mm | 20kg loading cantilever shelf plate |
| RCP-2U550 | 2U     | 19" Mounting | 550mm | 25kg loading cantilever shelf plate |

### Drawer

| Model  | Height | Width        | Depth | Description |
|--------|--------|--------------|-------|-------------|
| RDR-2U | 2U     | 19" Mounting | 360mm | 2U Drawer   |
| RDR-3U | 3U     | 19" Mounting | 360mm | 3U Drawer   |
| RDR-4U | 4U     | 19" Mounting | 360mm | 4U Drawer   |

#### Blank Plate

| Model  | Height | Width        | Description       |
|--------|--------|--------------|-------------------|
| RBP-1U | 1U     | 19" Mounting | 1U Blanking panel |
| RBP-2U | 2U     | 19" Mounting | 2U Blanking panel |
| RBP-3U | ЗU     | 19" Mounting | 3U Blanking panel |
| RBP-4U | 4U     | 19" Mounting | 4U Blanking panel |

### Brush Plate

| Model  | Height | Width        | Description    |  |
|--------|--------|--------------|----------------|--|
| RBB-1U | 1U     | 19" Mounting | 1U Brush panel |  |

### Cable Manager (Horizontal)

| Model  | Height | Width        | Depth | Description         |
|--------|--------|--------------|-------|---------------------|
| RMH-1U | 1U     | 19" Mounting | 68mm  | 1U Cable management |
| RMH-2U | 2U     | 19" Mounting | 68mm  | 2U Cable management |

### Cable Manager (Shunting Rail)

| Model  | Height | Width        | Description      |
|--------|--------|--------------|------------------|
| RSR-1U | 1U     | 19" Mounting | 1U Shunting Rail |

### 1U Light Holder

| Model   | Height | Voltage | Description               |
|---------|--------|---------|---------------------------|
| RLP-300 | 1U     | 220V    | 300mm Energy-saving lamps |

### Lock

| Model  | Description  |
|--------|--|
| RDL-01 | Rack side panel flat circular lock w/key (for side panel)          |
| RDL-02 | Front door flat circular handles lock w/key (for glass front door) |

### Screw and Nut

| Model  | Description                            |
|--------|--|
| RSN-M6 | M6 square nut + M6 x12 cross cap bolts |
