

Features

- LTE protection filter for 5G, 4G (694 MHz) and GSM + TETRA (870MHz-960 MHz) signals received by the antenna
- F connectors
- High rejection against interfering signals

Indoor 5G Filter
LBF-700E / LBF-700T

Specifications

Model	LBF-700E / LBF-700T
Frequency Range	5-694MHz
Impedance	75Ω
Connector	F-type
