

### Features

- *Small size, minimum aesthetical impact maximizing the electrical parameters*
- *High gain/length ratio.*
- *Adapted for the protection against LTE signals.*
- *Easy installation, no need for tools.*
- *Optimized single unit packing.*

## Outdoor Antenna Aura D2

### Specifications

Model	Aura D2
Channels	21~48
Gain	12 dB
Impedance	75 Ohm
Return loss	15 dB
Front to back ratio	15 dB
Horizontal opening angle	15 dB
Length	430 mm
Packing dimensions	530x180x80 mm
Weight	1 Kg
